4.50

UCEAP Semester Units

3.00

Course Description

In this course students read a full ethnography such as BELONGING IN TWO BERLINS by John Borneman. Students then do an ethnographically grounded research project in contemporary Berlin. Finally, the research is developed into a strong data driven argument. Attention is then paid to anthropological research methods, ethnographic writing as a scholarly genre, and to the city as a lively, deeply historical place.
