6.00

**UCEAP Semester Units**

4.00

**Course Description**
This course explores the significance of dimensions of identity and meaning for dynamics of managing and organizing. It examines associated questions regarding knowledge and learning and their role in management education and wider organizational life. The course draws upon an eclectic and innovative range of theory, literature, and other media, including novels and films, as means by which to open up and explore the experiential and "existential" dimensions that structure and deconstruct modern work organization.

**Language(s) of Instruction**
English
