6.00

**UCEAP Semester Units**

4.00

## Course Description

This course explores the emergence of Zionism and the Israeli state from the late 19th century until today by looking at some of the foundational movements and moments in Israeli history. Themes include expressions of alienation and discrimination, the perceived ethnic gap, and schisms in Israeli society, including Jewish-Arab tensions. The course explores the broad range of influences that have shaped Israeli society and politics: European, Ottoman, Middle Eastern, Jewish, and Palestinian.
