157

**UCEAP Course Suffix****UCEAP Official Title**

HUMAN DEVELOPMENT 3H

**UCEAP Transcript Title**

HUMAN DEVELOPMENT 3

**UCEAP Quarter Units**

4.00

**UCEAP Semester Units**

2.70

**Course Description**

This course focuses on the study of human development. Students examine perceptual development, including face perception; prematurity as it relates to the causes and consequences of being born too early or too light in weight; and cognition in infancy. The class also explores issues related to the neural correlates of cognitive, perceptual, and language development, and also developmental and acquired disorders of early childhood. Assessment is based fully on a final written exam.

**Language(s) of Instruction**

English
