DEEP STATE

**UCEAP Quarter Units**
6.00

**UCEAP Semester Units**
4.00

**Course Description**

This course examines ethnographic and historical analyses of new and old methods of surveillance, while exploring the "Deep State" and its transformations over time. It covers the networks of economic, political, and military interests that covertly enable different forms of state surveillance; the experiences of diplomats, spies, and soldiers and how they've changed over time; how states adapt to the digital era; and how common citizens navigate a world without privacy.

**Language(s) of Instruction**
