UCEAP Transcript Title
POLITICAL IMAGES

UCEAP Quarter Units
4.50

UCEAP Semester Units
3.00

Course Description
Using photo-reporting and auteur films, this history seminar is a space for reflecting on political engagement in its broadest terms. It brings together the idea of engagement in all its forms: partisan, unions, associations, or non-organized. It is as much political history as visual history. The goal is to deconstruct and de-historicize individual and collective engagement through images as well as to go into how the images were made to show the effect of evidence.

Language(s) of Instruction
French
