ETHNICITY, CULTURE AND IDENTITY

**UCEAP Transcript Title**

ETHNICITY/CULTR & ID

**UCEAP Quarter Units**

8.00

**UCEAP Semester Units**

5.30

## Course Description

Students explore a range of key concepts, theories, and controversies in the anthropology of ethnicity, culture, nationhood, and identity. Drawing on case studies from within and beyond Britain, it encourages students to consider how identities are created, deployed, and contested; how they are embedded in broader social, political, religious, and economic contexts; and how an anthropological perspective can illuminate contemporary debates on race, ethnicity, nationalism, and multiculturalism.

## Language(s) of Instruction
