Course Description

The purpose of this course is to equip students with the ability to: First, to establish a basic understanding of international organizations, including their history, operations and interrelationships. Second, understand the current situation, limitations and prospects of the country's participation in international organizations. Third, arouse the enthusiasm of young people to participate in the affairs of international organizations, and even to work in international organizations. Fourth, when planning their future career, young people can take into account the direction of international organizations and transnational orders.
