WRIT FOR ORCHESTRA

UCEAP Quarter Units

8.00

UCEAP Semester Units

5.30

Course Description

This course covers the essential techniques of orchestral writing. It examines the capabilities of the individual instruments, section by section, using practical demonstrations wherever possible. Students learn to blend instruments within their family groups and eventually to combine these groups into full orchestral textures. Examples used are drawn mainly from Classical and Romantic orchestral literature, together with some pieces from the early 20th century.

Language(s) of Instruction
