ADV ECON OF FINANCE

UCEAP Quarter Units

6.00

UCEAP Semester Units

4.00

Course Description

This course provides students with the analytical skills needed to assess the main determinants of the prices and returns of any asset or investment. Students learn to see how finance fits within economics and use general economic knowledge applied to real life investment decisions. It should serve as a solid base for graduate studies in the subject or for pursuing a career in finance.
