UCEAP Course Suffix
UCEAP Official Title ADVANCED SPANISH FOR BIOLOGISTS
UCEAP Transcript Title ADVANC SPAN FOR BIO
UCEAP Quarter Units 2.00
UCEAP Semester Units 1.30

Course Description
This Spanish course includes interviewing local residents, including coffee farmers, dairy farmers, naturalist guides, fishermen, and others with a specific theme. A detailed report and transcript that is both technical and useful to residents and visitors is then written by the students. The goals are to increase skills in communicating with persons of a wide range of backgrounds, to learn more about local land use and management practices, to enhance command of technical terms and to immerse into the culture.

Language(s) of Instruction
