PHIL & ENVIRONMENT

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

**Course Description**

This course explores a variety of philosophical questions relating to the environment and our use of it, such as: Do we have obligations to future generations concerning preservation of the environment? What are our moral and epistemic responsibilities regarding climate change and other environmental issues? Does nature have intrinsic value? Is it better to live in a natural world or a virtual world?
