Course Description

The course gives an introduction to gender equality in the Nordic context. It provides an overview of how the concept of gender equality has developed, and how it is implemented. The focus is on the period after the 1970s. Central themes in the course include: gender equality as a concept; work-life balance; Nordic masculinities; gender equality in an intersectional perspective; gender equality and the military; gender-based violence; gender equality as nation branding; gender and sustainability.
