INSTITUTION ANALYS

**UCEAP Quarter Units**

5.00

**UCEAP Semester Units**

3.30

**Course Description**

Public policies and management do not take place in a vacuum. It is essential for public managers to possess a good awareness and understanding of their embedded political context. The course applies various institutional approaches to understand systematically the political-institutional structures and processes in which public policies and management are practiced and major reforms take place. The course draws on theories and practices developed by both academics and practitioners as its learning resources.
