**UCEAP Semester Units**

4.00

**Course Description**

This course explores the spread of consumption and its link to popular culture in the context of global capitalism. The course emphasizes the relationship between mass production and mass consumption, and the role of mass media in creating and widening the sphere of popular culture. The course also studies relationships between class and popular culture and issues such as changing leisure patterns, fashions, consumerism, role of advertisements, and symbolic protests.
