UCEAP Transcript Title INTL COURTS&TRIBNLS
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description
International courts and tribunals vary enormously in their competence and participants, but there are some common threads which unite them, although not all of these threads are shared by all the courts and tribunals. This course focuses on the common threads by considering issues such as jurisdiction and admissibility, the obstacles that may prevent a court or tribunal considering a case, how third parties may participate in a case, and advisory competence.

Language(s) of Instruction
