THERAPEUTIC WORK WITH CHILDREN

**UCEAP Transcript Title**

THERAPY W/CHILDREN

**UCEAP Quarter Units**

8.00

**UCEAP Semester Units**

5.30

**Course Description**

This course examines younger children's emotional development and the kind of services, counseling, therapy, and direct work available to help those children who may develop emotional and behavioral problems in childhood and later life. It considers current and historical views and theories of how such problems develop, and draws on research and practice knowledge into ways of helping such children. The course includes input from practitioners and researchers in this area.

**Language(s) of Instruction**

English
