**Course Description**

This course develops students' knowledge of French beyond an elementary level of competence. While the four skills of speaking, listening, reading, and writing are covered, there is particular emphasis on improving oral and aural competence and extending vocabulary. The course deepens awareness and understanding of French society and culture. This course is delivered via small group teaching with classes having a maximum of 18 students. Students also have access to extra resources and materials via Moodle, the ALC's Virtual Learning Environment.
