Course Description

This course is an introduction to the teaching of English to speakers of other languages. There is a practical emphasis on classroom techniques in language teaching, teaching observation, lesson planning, and classroom management. The goals of this course are to develop: (a) a basic understanding of the fundamental properties of language teaching, (b) several techniques for teaching the language skills, (c) the basic skills of curriculum designing and lesson planning, and (d) techniques of evaluating language teaching materials
