UCEAP Course Number 150
UCEAP Course Suffix
UCEAP Official Title COMPARATIVE WEST EUROPEAN POLITICS
UCEAP Transcript Title WEST EUROPEAN POL
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description
In this course, students analyze the differing approaches to governance in Western Europe, particularly in France, Germany and Sweden. This analysis is structured around a comparative perspective that is primarily based upon several key theories of democracy. Students are introduced to key political science theories and models. The selected theories and models have been chosen precisely because they are excellent vehicles for introducing students to the study of comparative politics. Students are provided with the conceptual equipment for more advanced comparative politics.
