"ARISTOCRACY" IN ANCIENT GREECE

**UCEAP Transcript Title**

ARIST ANCI GREECE

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

**Course Description**

This course offers a critical perspective on the nature and development of ancient Greek social structures and central cultural values by comparing and contrasting Greek ideals of social order with the realities of social and economic life, and by questioning the meaning of the widely-used modern concepts of "aristocracy" and "aristocratic values" and their applicability to the archaic and classical Greek world (c. 750-300 BC).
