Course Description

This course provides the knowledge and analytical skills in relation to significant aspects of contemporary Indian and South Asian society and politics in a local and/or global perspective. Based on one or more delimited topics within contemporary Indian and South Asian society and politics, the course identifies and applies various relevant theoretical and methodical approaches with a view to critically describing and analyzing political and social conditions. It includes searching for various types of materials in Hindi and other languages at an advanced level, and to assess these critically in their context.

Language(s) of Instruction
English
