FILM AND ARCHITECTURE

UCEAP Transcript Title
FILM & ARCHITECTURE

UCEAP Quarter Units
6.00

UCEAP Semester Units
4.00

Course Description

Cinema and architecture have often been closely related but not often enough studied together. This course explores the rich formal and technical parallels between them, the shared intellectual debates in which they have been entwined, the representation of architecture and architects by filmmakers, and the ways in which motion pictures have influenced architects in their practice and design.

Language(s) of Instruction

English

Host Institution Course Number
