Course Description

This course is designed for students at the B1.1 level according to the Common European Framework of Reference for Languages. The course develops oral skills, comprehension, and expression. The course has three objectives and employs a variety of assignments to meet these objectives. The first is to develop the students' capacity to respond to a range of daily interactions. The next objective is to increase the students' ability to extract and express key points from oral and written materials about Spain's autonomous regions. The final objective of the course is to strengthen the students' capacity to participate in debates on subjects of personal interest.
