## IMMUNOLOGY

**Country**

Netherlands

**Host Institution**

Maastricht University - University College Maastricht

**Program(s)**

University College Maastricht

**UCEAP Course Level**

Upper Division

**UCEAP Subject Area(s)**

Biological Sciences

**UCEAP Course Number**

103

**UCEAP Course Suffix****UCEAP Official Title**

IMMUNOLOGY

**UCEAP Transcript Title**

IMMUNOLOGY

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

## Course Description

Immunology focuses on the role of different humoral factors, cells and cell systems of the innate and adaptive immune system, that are involved in the defense of an organism against intruders like foreign cells or non-complex structures such as foreign proteins. Processes in the immune response after immunization, vaccination, and transplantation are discussed. Prerequisites knowledge in Introduction to Biology is required.

### Language(s) of Instruction

English

### Host Institution Course Number

SCI2031

### Host Institution Course Title

IMMUNOLOGY

### Host Institution Course Details
