6.00

**UCEAP Semester Units**

4.00

## Course Description

This course examines the critical frameworks, essential terms, and research skills that are key both to the practice of literary studies and to any detailed and persuasive interrogation of the written word. It covers canonical texts from the late sixteenth century to the twentieth century to gain a foundational understanding of literary history and theory, and the characteristics of three major genres: drama, poetry, and prose fiction.
