UCEAP Transcript Title JAPAN SOCIAL HIST
UCEAP Quarter Units 3.00
UCEAP Semester Units 2.00

Course Description
This class examines the modern Japanese society's transitions throughout history and its relationship with the economy. The course closely looks at wars, poverty, riots, labor movements, and court cases within historical contexts, and questions why people took extreme measures at the time. In short, this is a Japanese history class while taking in account economical situations of the people, instead of looking simply at the economical history of Japan.

Language(s) of Instruction
Japanese
