4.00

Course Description

The course addresses the development of communism after World War II, focusing on the situation in Central and Eastern Europe. The aim is to study the development of communism during the Cold War, from the Yalta conference in 1945 to the fall of the Soviet Union in 1991, and its consequences in the 1990s and early twenty-first century. The subject is addressed from both genetic and genealogical perspectives.
