Course Description

This class deals with various global issues ranging from politics to culture, using basic international relations theories. The course covers the current discussion on globalization and nationalism. Student contribution by way of asking questions and making comments is essential. Also, students are asked to give their own presentation on their preferred topics/current issues. Units: The regular version of this course is worth 3.0 UC quarter units. The Q version of this course is worth 4.0 UC quarter units. Students must submit a special study project form which outlines the requirements for the additional units. This is typically an additional paper graded by the instructor of the course.
