UCEAP Transcript Title ISLAM RITUAL AFRICA
UCEAP Quarter Units 4.50
UCEAP Semester Units 3.00

Course Description
Aside from the joy that they offer us, festivals and communal rituals give meaning, rhythm, and identity in community life. This is especially visible in the case of religious communities. This seminar reviews this phenomenon by studying the case of Islamic festivals and rituals in Africa. It studies their historical evolution in the “longue durée” and their impact on the life of today's global modernity.
