Course Description

This course introduces student teachers to the profession of Teaching English as a Foreign Language (TEFL). It focuses on the central aspects of linguistic and communicative elements of English, as well as the teaching-learning process, with an emphasis on understanding the roles of the teacher and the learner. Student teachers explore the role of English as an international language in Chile and the diverse educational contexts in which English is taught and learned today, including technology mediated learning.

Language(s) of Instruction
