Course Description

The course introduces the culture system of traditional Chinese medicine (TCM), including the basic theory (yin-yang and five elements), basic skills and basic manipulation (acupuncture, massage, cupping, etc.). It examines Chinese mythologies such as “Pan Gu separating heaven and earth” and “Shennong tasted hundreds of herbals”, basic concepts of TCM like Yin-yang, basic skills of TCM such as tongue diagnosis, acupuncture and moxibustion, manipulation, and so on. Students can also intuitively learn and master the Tai Chi boxing or Yi-Gin-Ching.
