Course Description

This course is designed for students with no or very limited knowledge of Korean. It helps students acquire a basic level of communicative competence in Korean. By the end of this course, students will be able to write and read the Korean alphabet; understand basic grammatical elements, such as particles, endings, and present/past/future tense; greet each other and introduce themselves; carry out conversations about topics relating to everyday life; and understand simple texts and write about familiar things and experiences.
