Course Description
This course is for students with little or no Japanese language. The course includes the skills of speaking, listening, reading, and writing using them in practical situations. The purpose is to equip the learner with the ability to be able to use Japanese outside of the classroom as soon as possible. Topics: how to introduce yourself and ask some questions to a person you have met for the first time such as what his/her name is, where he/she is from and what his/her interests are; ask about where a building is in the university; order food from the cafeteria; talk about when, where,what you do on a typical day; ask what someone did on the weekend; invite your friend to go sightseeing in the city.
