Course Description

This advanced level course provides a high level of proficiency in quick reading and translation (with the help of a dictionary that can be applied to most available texts in the standard literary language. It is intended for students with sound knowledge of Modern Standard Arabic. The course focuses on listening comprehension, oral expression, and writing in Modern Standard Arabic, based on the learned vocabulary. It deals with advanced grammatical and morphological topics, including additional adverbial accusatives, complex sentences, and the conjugation of double, hamzate and weak verbs, including double weak verbs. By the end of the course students will be able to read a broad range of texts.
