Course Description
Computer Science internship at a tech start-up based in Codebase, the UK's largest technology incubator. 12 hours per week onsite spread over a 14 week period with employer supervision. Final grade for internship based on: 20% mid-term employer evaluation, 40% student reflection on internship, 40% student report of company, industry, and work achieved. Academic oversight provided by UCEAP Tutor, including several supervision meetings.
