Course Description

This workshop is for students at the C1/C2 level of French. It improves written, oral, listening, and text skills through studies of specific themes. The course looks first at traditional notions of culture and civilization, then redefines the new societal challenges which are crucial and omnipresent, looking at social and political events to analyze their trajectories in today's world. Students learn to understand critical texts, analyze societal questions, present on varying viewpoints, and debate on diverse subjects.
