

COURSE DETAIL

PARASITES AND INFECTIOUS DISEASE

Country

United Kingdom - England

Host Institution

University of London, Queen Mary

Program(s)

University of London, Queen Mary

UCEAP Course Level

Upper Division

UCEAP Subject Area(s)

Biological Sciences

UCEAP Course Number

126

UCEAP Course Suffix**UCEAP Official Title**

PARASITES AND INFECTIOUS DISEASE

UCEAP Transcript Title

PARASITES INF DISEA

UCEAP Quarter Units

6.00

UCEAP Semester Units

4.00

Course Description

This course provides an overview of physiology. The structure and function of major systems including the nervous, digestive, respiratory and circulatory systems are surveyed in a variety of different taxa. In addition, physiological functioning including homeostasis, temperature regulation, gas exchange, digestion and endocrine systems are all reviewed.

Language(s) of Instruction

English
