**Course Description**

This course examines the characteristics and development of art and architecture in Thailand from ancient times to the present, and the influences of other cultures on Thai art and architecture. The course builds a solid foundation in the study of the arts and architecture of Thailand through the investigation of selected themes. It examines a wide range of Thai art and architecture, both in their characteristics and ideologies, and studies the process of creativity and influences of other civilizations on the art and architecture of Thailand.
