Course Description

This course covers the fundamentals of journalistic communication and the techniques and journalistic expression in the audiovisual media. Other topics include: the historical origins of journalistic information; its social, economic and political causes; its evolution and its impact on contemporary societies; rhetoric and argument in informative speeches; theory and analysis of the information in the audiovisual media; and globalization and social change in 21st century journalism. Students analyze and comment on journalistic genres and new informational formats in the fields of audiovisual communication like radio, television and Internet. NOTE: This course is the same as COMM 105, but taught in English.
