126

**UCEAP Course Suffix****UCEAP Official Title**

MINING TEXT FOR MEANING: BASICS OF QUANTITATIVE TEXT ANALYSIS

**UCEAP Transcript Title**

QUANTIT TEXT ANALYSIS

**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

### **Course Description**

This course introduces students to quantitative text analysis, reviews selected methods falling within this category of approaches, and illustrates their implementation in the statistical programming language R. It covers the origins of quantitative approaches to studying text and how they complement traditional, qualitative methodologies. Using recent peer-reviewed publications, the course explores how these methodological approaches can be used to answer sociological questions and, in hands-on lab session, students implement selected techniques in R.

### **Language(s) of Instruction**

English

### **Host Institution Course Number**

ASOB16204U

### **Host Institution Course Title**

MINING TEXT FOR MEANING: BASICS OF QUANTITATIVE TEXT ANALYSIS

### **Host Institution Campus**

### **Host Institution Faculty**

Faculty of Social Sciences

### **Host Institution Degree**

Bachelor

### **Host Institution Department**

Department of Sociology
