Course Description
Upon completing the course, students with foreign education backgrounds and native languages other than the Scandinavian languages and Finnish have acquired basic skills in the Swedish language and some knowledge about Swedish society. The course includes systematic reading and practicing of basic grammatical structures and principles of pronunciation, reading of textbooks as well as easy authentic texts, exercises in pronunciation, exercises in listening comprehension, and short exercises in oral and written communication. The course includes an introduction to Swedish society and culture. After completing the reading and writing portion of the course, students are able to: demonstrate knowledge of and apply to some extent the rules of Swedish language structure; have a vocabulary of everyday words and phrases be able to read and comprehend textbooks, short news items, and articles of various types as well as easy fiction; explain in a simple manner their own opinions and experiences in writing. After completing the listening and oral portion of the course, students are able to: recount their own experiences and events; hold short presentations about known factual topics; follow and participate in simple conversations and discussions about familiar topics and events; gain a general understanding of what is said in some TV programs that do not make excessive demands of the student regarding context and previous knowledge.
