### **Course Description**

This course teaches Chinese language relevant to business and communication; to enable students to engage in simple business and trade activities such as visiting a company, inquiring and bargaining on prices, ordering goods, and processing insurance claims. The texts are about common business activities connected with international trade. Each course comprises two dialogs and one short text. The course uses a combination of the teacher's lectures and student's practice with a focus on oral expression capabilities. Text: Intermediate Business Chinese Language by Huashan CUI. Assessment: Midterm test, final, class participation.
