3.00

Course Description

This course addresses international issues regarding the foreign policies of France and the United States in the Middle East, a zone defined by international organizations as including North Africa and Iran but excluding Turkey, Afghanistan, and Pakistan. The course includes an interactive dimension which allows students to refine their understanding of the actors and challenges of this subject and to sharpen their critical thinking skills with the reading of various selected texts, including academic works, autobiographies of the stakeholders, and press articles.
