Course Description

This course introduces basic writing skills and career opportunities in the field of financial journalism. It focuses on reading financial documents, understanding macroeconomic issues, interpreting statistics, reporting on companies, and covering competition in a global economy. Students report and write business stories. Students are required to read the South china Morning Post and The Wall Street Journal Asia every day during the semester. Assessment: assignments (40%), discussion (20%), presentation (20%), and a final exam (20%). Attendance is required.
