12.00

**UCEAP Semester Units**

8.00

## Course Description

Taking Scottish theatre and cultural institutions as a case study, this course thinks through the relationship between creative practice and cultural policy. How are theaters influenced by their material conditions and institutional frameworks, e.g., regarding their position within specific national contexts? What is the role of cultural policy for shaping the future of theatrical practice and/or society?

## Language(s) of Instruction

English
