ANCIENT HISTORY

UCEAP Quarter Units
4.50

UCEAP Semester Units

3.00

Course Description
The city of Pompeii, located in Campania, was brutally destroyed during the eruption of Vesuvius in 79 AD. Since its rediscovery in the eighteenth century, it has produced a considerable amount of information on a medium-sized conurbation of the imperial era. This course offers, from various sources (literary, epigraphic, archaeological) and the most recent research, a study of its evolution through its public and private components.

Language(s) of Instruction
French

Host Institution Course Number
LBH2U31
