UCEAP Quarter Units 4.50
UCEAP Semester Units

3.00

Course Description

This course considers the main components of American soft power, the ability of the United States to influence through non-coercive behavior, and how they have evolved over time. Also covered are the current challenges, limitations, and constraints to American soft power. Students consider how the public perceives US leadership and the soft power initiative and actions meant to secure it, and the potential consequences of the Trump presidency on America's soft power capital.
