UCEAP Transcript Title ID/CONTEMP BRITAIN
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
This course examines contemporary cultural production in Britain within the wider geographical and historical frame of imperialism. The course focuses on reading well-known texts alongside less prominent works, and on reading across genres, to give a sense of the breadth of cultural production in contemporary Britain. The course builds on aspects of critical theory developed in previous years of the degree program, by bringing queer, feminist, and postcolonial theory to bear on each other and on understudied forms of cultural production.
