UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course begins with a radical group of artists named the "Fauves," meaning wild beasts, for their unconventional and daring use of color. The 20th century was a time of great change which artists responded to in different ways. It saw the explosion of the "isms": cubism, surrealism, abstract expressionism, etc. The course explores and discusses the vision and techniques of these movements.
